HEALDSBURG

SENIOR

HIGH SCHOOL

HEALDSBURG, CALIFORNIA

DEDICATION

Mr. Richard Watson
Healdsburg High School
Healdsburg, California

Dear Mr. Watson:

Your 1966 Sotoyoman Staff dedicates this year's Sotoyoman to you in recognition of your patient help and guidance, not only to us on Saturday mornings, but to your many students as well. From all have come well-deserved respect and admiration for your many fine personal qualities.

Throughout your teaching experience at Healdsburg High School, you have revealed knowledge to students with competence and warmth. We will always remember you as a friend, not just as an instructor. But more than that, we will remember that it was you, Mr. Watson, more than anyone else, perhaps, who helped us develop our capacities and our understanding of life.

It is, therefore, with deep appreciation, that we affectionately dedicate the 1966 Sotoyoman to you.

Sincerely,

THE SOTOYOMAN STAFF

DISTRICT SUPERINTENDENT

Mr. Homer Hoyt

If there is no tomorrow,
all of the yesterdays will
have been for naught.

Humanity's struggle throughout the centuries has been to achieve freedom. Our founders won in their time and bequeathed us that great heritage of liberty which is our American birthright and the world's best hope. The present world with its fear, confusion, and tension has made current life more threatening and disturbing than ever before. Foremost is the clash of arms and minds in a life-and-death struggle between the democratic ways of life and those forces which would destroy it, cancel all human rights, and enslave the world.

As the pages of history unfold in the classrooms of our country, you have the opportunity to understand and accept the political, economic, and social meaning of the American way of life. You will learn about the greatness of America in terms of her natural resources, political citizenship, productive power, economic system, cultural and scientific achievements, technology, and advances in the general welfare. You will discover that our citizens enjoy more basic rights under the goals and framework of our free institutions than at any other time or place. You will come to cherish the privilege of putting your creative talents to work in developing your abilities and skills to their highest level. You will come to appreciate the wisdom and ways of our democratic society and ways of upholding and improving it. Nothing on the public school program is more important than this background of training for citizenship.

However, you must come to realize also that these rights involve many responsibilities both now and in the future. In the days and years ahead, you will be called upon to close the gap between principles and practice, build unity and strength at home and friendships abroad, repel any efforts to blot out freedom, demonstrate to the world that democracy works here, and give new hope for humanity in its struggle for liberty, opportunity, and brotherhood.

The students of Healdsburg High School are fortunate enough to have a language laboratory and it is conveniently situated between the French and Spanish rooms. It plays a vital part in the activities of the language department. The lab enables each student to have more individual attention. The new process of mastering a language consists of first learning how to speak it and then learning how to write it. Now that the language lab has been in existence for several years, teachers and students both agree that it plays a successful and worthwhile role in the foreign language curriculum.

WORK AND FUN IN

Our Student Body Officers are: Mike Fulton, Treasurer; Claire Sherard, Secretary; Dick Price, Vice-President; and Tom Borowicz, President.

A typical working day for members of the Sotoyoman Staff.

A group of sophomore girls decorate for their popular "Mardi Gras".

The year has been one of unrest in the nation. Demonstrators marched for freedom. The Student Free Speech Movement cried for Civil Rights and Anti and Pro- Vietnam discussions took place from New York to California.

The "in" apparel, too, has seemed at unrest. Hemlines were rising above the knees one day, and occasionally turned toward great modesty by falling to the ankles as the Granny Dress was worn. Concerning out of school wear, it was said that the young sexes seemed to have merged into one as we found boys and girls, both with long hair and fashions created for either, both, and or.

Revolutionary dances entered the dance floors. From the Twist of the early '60's we developed such strange steps as the Frug, the Pony, and the Jerk performed to the music of the Beatles, the Kinks, and the Rolling Stones.

New developments took place at school this year also. We particularly want to remember the new library. This year the school newspaper was revived with the hope that it will continue.

The school year of 1965-1966 past at a rapid pace with dramatic developments in the nation and the world, and further, the pace does not seem to be slackening and the job of learning to become tomorrows citizens continues to be of prime importance.

The yell leaders often helped with competition yells and the songleaders did many musical routines. Skits were presented by the drama class and various members of the student body.

The purpose of these rallies was to promote good school spirit and to get a bigger turn-out at the games.

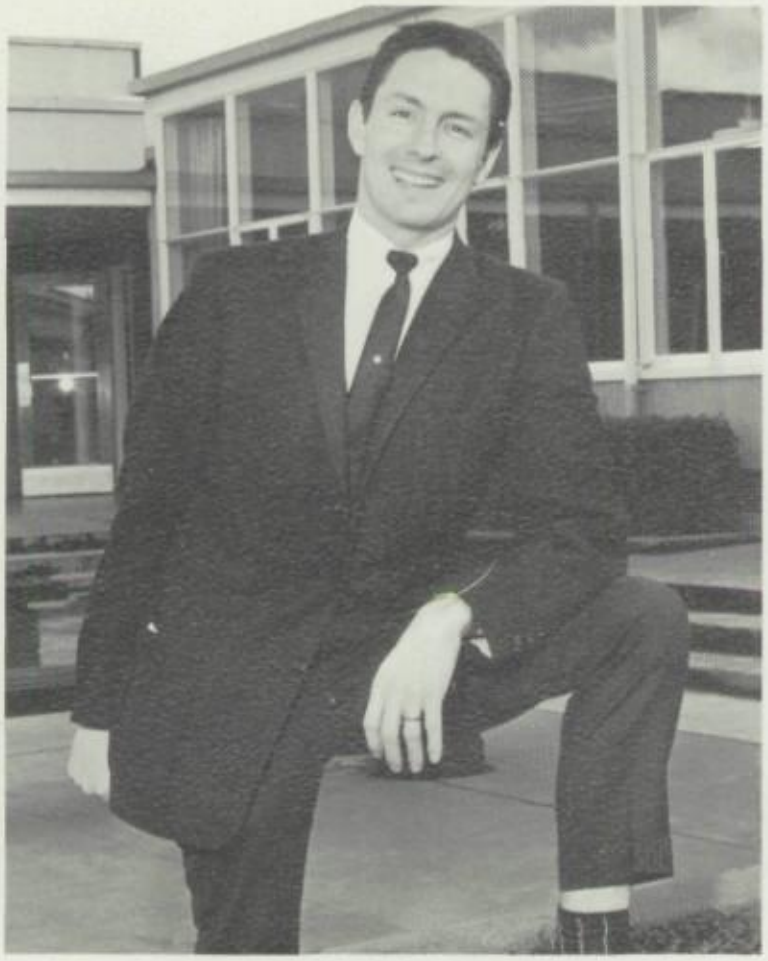
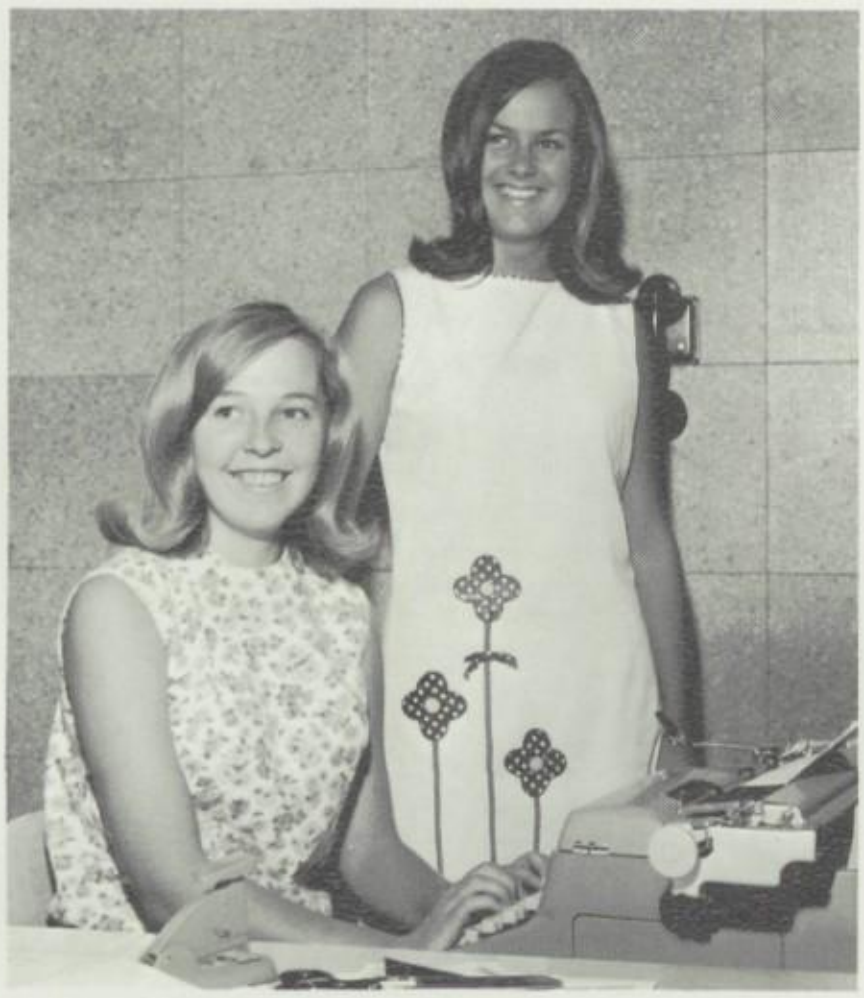
SOTOYOMAN DIRECTORS



Richard Watson, Yearbook Advisor

Gene Luttrell, Yearbook Advisor



Marta Thompson and Barbie Meyer, Yearbook Co-Editors

The Sotoyoman Staff meets every Saturday morning from nine to twelve in order to provide you with your yearbook in the Spring. These meetings begin the first week of school in September and end in the last of March. They are conducted in our new library under the supervision and with the help of Mr. Watson and Mr. Luttrell.

The staff members have a hard and demanding job and they do it well. It consists of cropping pictures, drawing up pages, preparing write-ups, and finally typing up the needed information.

On page thirty-three is the Business Staff. Every fall they visit the town merchants and get contracts totaling from eighty to ninety ads. Through their diligent work comes most of the money that is necessary to finance our yearbook. Due to the hard work and close co-operation of the Business and Editorial Staffs, you are able to have such a fine yearbook as the 1966 Sotoyoman.

CLUBS

CALIFORNIA SCHOLARSHIP FEDERATION

The California Scholarship Federation is made up of the most outstanding academic students in school. One of the club activities was a trip to the Circle Star Theater in San Carlos to see the play "Oliver." In February the annual potluck dinner was held where members and faculty enjoyed a speech by our foreign exchange student, Sandro Carpi, and a demonstration of the fine works of our new debate team. In the spring the group took another field trip to Stanford University.

Sandro and David dance a triumphful dance.

Vickie Noya sings for the school during her short visit.

During the second week of February, Sandro visited the home of Mrs. Eleanor Grahamin in Oakland. During this time Vickie Noya from Peru, whose American home is in Orinda, stayed with the William McCutchan's while visiting our school. Vicky was a very enjoyable person as she took an active part in our school life and we will long remember her visit.

Our exchange student, Sandro Carpi.

Sandro talks with Mr. Malone.

Alessandro (Sandro) Carpi arrived at San Francisco International Airport during the late summer of 1965. There he met his American parents, the Alvin Cadds.

Sandro's home lies near Milan, Italy, in the Po Valley. This is a rich agricultural area with many diversified crops being cultivated. Sandro arrived in time to help with the harvesting of prunes in our area.

Fishing and hunting are two sports that have captivated Sandro's attention in Healdsburg as well as tennis. He is also an active participant in the drama productions and enjoys the opportunity to use his English.

His warm personality, delightful smile, and outgoing manner have insured Sandro of many Healdsburg friends. Our wish is that Sandro will return again to visit Healdsburg.

Sandro's home in Italy, Reggio.

THE KEY CLUB

Officers: Phil Holden, Treasurer; Bob Nardi, Vice-President; Alan Pettit, Master at Arms; Dan Pedroni, President.

One of the main activities of the Key Club is to sponsor the Redwood Empire Tournament Queen Contest. Proceeds from this annual basketball test go to charity.

Last year Key Club bought an incubator for the Healdsburg General Hospital and the large school activity sign located in the parking lot. This year plans included cooperative work with the Kiwanis Club and sponsorship of a paper drive. In addition, the boys enjoyed a snow trip and attended a professional football game.

The Healdsburg High School Art Club is active in many school functions. They play a major roll during the annual Redwood Empire Invitational Tournament by decorating Smith Robinson Gym. Art Club sponsors a candidate in the Tournament Queen Contest each year. This year, Monett Zunino was the representative.

The club earns money by charging a nominal fee for its services, and this year for the first time, the club had an Art Auction in which the art work of the members was sold. The Art Club income goes to a scholarship fund for awards at the end of the year to its most promising students.

Due to the artistic abilities of the Art Club members, many school activities are decorated. The advisor again this year was Mr. Lyness, who has dedicated his time and talents to the benefit of the club.

Art Club members work, preparing decorations for the annual Redwood Empire Invitational Tournament.

PEP CLUB

President Cheryl Holt, Vice-President Connie Dudley, Secretary-Treasurer Barbara Pfaffenberger

The Pep Club was created six years ago this year to promote school spirit This year they sold pompons and rooted in special sections at the games.

In the above picture the Pep Club inspired rooting section cheers on our Varsity football team to victory led by our songleaders and cheerleaders.

Then, on the left, a welcoming committee was waiting for our players to run through the "H".

A peppy stand-up rally was held in the Plaza before taking off for our first football game in Ukiah.

These two pictures show two of our rallies held in our new gym before a *home game. They were really hard work, but it was worth it.*

GIRLS ATHLETIC ASSOCIATION

G.A.A. officers for this year are (left to right) Jan Houg, Secretary-Treasurer; Carilyn Allam, Recording Secretary; Sandy Remolif, President; June Black, Vice-President.

G.A.A. girls' bowling was successfully started at the Healdsburg Bowling Lanes. Here the girls are warming up for a vigorous practice.

Once a year the G.A.A. sponsors the very popular Courtesy Dance. This year's theme was "Everyone's Gone to the Moon." Refreshments were enjoyed by all at the "Moon Saloon."

With their equipment in hand the managers are ready to play. Left to right are Ann McCutchan, Linda McCutchan, Joanne Tauffer, Cheryl Holt, Robin Malone, Lorelei Smith and Barbara Pfaffenberger.

BLOCKETTES

Blockette officers are: Connie Kincade, vice-president; Yvonne Mosher, secretary. Standing: Joanna Stanley, treasurer; and Carolyn Sager, president.

This is the second year that the Blockettes has been in existence. Up until two years ago Blockettes was a part of G.A.A. The requirements for membership are that each girl must maintain an A or B average in physical education. Through the combined efforts of the Blockettes and G.A.A. we have the Courtesy Dance. This year their activities included a brunch, a fudge sale, and cookie and cake sales.

Once again the annual G.A.A. Courtesy Dance was a roaring success.

One of the after school G.A.A. activities is intramural volleyball. Here we see a real team effort made in the attempt to score.

Mr. Branson

Spirited, determined, they urge VICTORY!

What a team! — one of the best in years at Healdsburg High! The team, consisting entirely of juniors and seniors, started the season without much promise. Starting with the 34-7 win over Analy, however, the team caught fire and didn't lose another game. In the last game—a mud and rain session—Healdsburg gained a 7-7 tie with Sonoma—and a share of second place in league standings. The Sonoma contest was Healdsburg's homecoming game, but the weather discouraged many of the fans. Homecoming queen Karen Isaacson was crowned at the big dance after the game. What a season!

Healdsburg	12	Kenilworth	13

Coach Fred Nixon

This year marks the first year that Healdsburg High School has had a Freshman Football Team. This may prove to be a great asset in the years to come by providing future Varsity players with valuable actual playing experience.

These fellas worked hard in their first year and deserve recognition for their acquired skills. The turn out for these afternoon games was surprisingly good, and the crowd became very enthusiastic. Although it was not a winning season, the four games were close and were enjoyed by all.

VARSITY BASKETBALL

Basketball started slowly at Healdsburg this year. The team went winless through the month of December including the Redwood Empire Tournament. As practice and experience began to build, January rolled around, and the team began to post some victories. At last as league play got underway, the young team — mostly Juniors — began to work together and the exciting league action showed that the Healdsburg Varsity was a hard-working, competitive team that could beat almost any team in Sonoma County. Several very thrilling cliff hangers took place including the game at Sonoma when Healdsburg came from a 20 point deficit to tie and almost defeat the League Champions.

When league play ended, Healdsburg was tied for third place with a respectable 5 win—5 loss record. Since there were mostly Juniors on the team, we are all looking forward to next year when Captain Rick Rossiter will be joined by many returning lettermen and another great Basketball season.

In addition to the Varsity, Healdsburg also sent to the floor a fine J.V. Team, a B Team, and for the first time, a Freshman Team. Each of these teams won their share of games and enjoyed loyal support from the fans. Once again we want to thank coaches and teams for another successful year of Basketball.

REDWOOD EMPIRE TOURNAMENT

In the championship game, Honor Jackson of Tamalpais tries for two points as Sonoma players attempt to block the shot.

The Redwood Empire Invitational Basketball Tournament welcomed Petaluma, Tamalpais, Ukiah, Galileo, Sonoma, Santa Rosa, and Fortuna. Coming out on top was Sonoma who took home the championship.

The traditional Tournament Queen Contest was sponsored for the eighth consecutive year by the Key Club. The queen candidates are sponsored by various school clubs and organizations. Five cent tickets are sold to determine who will wear the crown. The proceeds this year went to charity.

The organizations participating and their candidates were G.A.A., Kathy Sager; F.F.A., Linda Campbell; Key Club, Marie Ramazotti; C.S.F., Lee Henderlong; A.F.S., DeAnn Bonham; Art Club, Ruth Uboldi; Pep Club, Cheryl Holt, the 1965 Tournament Queen.

In the Queen's Court are DeAnn Bonham, second runner-up, and Marie Ramazotti, first runner-up.

The championship Dragons claim another trophy.

The All Tourney Five accept their trophies. From left to right are Tom Pendergrass, Fortuna; Honor Jackson, Tamalpais; Tim Piver, Ukiah; John Sweet, Sonoma; and Duane Johnson, Santa Rosa.

The class of '69 wishes to thank everyone at Healdsburg High School for the wonderful year we have had. In the beginning of the year we didn't know what to expect. Gradually, however, we became envolved in school and class activities We have been busy with all our money-making projects. We were quite successful in our cookie, cupcake, and cake sales. The highlight of our money-making ventures was the Freshman Dance, held in March.

We have learned a great deal this year about high school life. We hope to continue to learn more next year and the year after so we can be the greatest seniors in Healdsburg history.

SOPHOMORES

Officers, front row: Kathy Holt, Kris Nall. Back row, left to right: Thelma Turnidge, Barbara Enzenauer, Robin Malone, Barbara Paffenberger.

Sandy Remolif, Margie DuVander, Barbara Paffenberger worked hard on the Sophomore Class Dance.

We started out our Sophomore year by electing our new class officers. On November 10 we had our Sophomore Dance, "The Mardi Gras," featuring the Hip Notics; we had a very good turn-out. The school introduced a new activity, an annual Turkey Trot, which was held on December 24, the activity contained three divisions: an egg toss, a tug-of-war event, and a cross-country meet. Our class was hoping to win all three divisions, but unfortunately we only won the tug-of-war and a Sophomore, Dick Metheny, came in third in the cross-country meet. (The mighty Juniors won everything else!)

We also took charge of concessions at some of the games. To make more money this year, we had our annual spaghetti dinner which was held February 10. The theme of our dinner was "Fior de Italia" which means "flower of Italy." The dinner was a great success as the multi-purpose room was decorated just like an Italian restaurant. Our class now has a substantial treasury and is looking forward to the events of next year.

SENIORS

Senior Class Officers: Karen Isaacson, Student Council Representative; Ann Lyon, Secretary-Treasurer; Kathy Savoie, Vice-President; Marie Ramazzotti, President.

We the class of 1966 entered Healdsburg Senior High School as the second Freshman class to enroll. Our first activity was to put on the Freshman dance entitled the Leprechaun Leap. Its success was due, primarily, to the efforts of our class officers: Kathy Savoie, President; Charlotte Wenke, Vice-President; Pam Young, Secretary-Treasurer; Kathy Williams, Yell Leader.

We elected as our officers in 1964-65: Frank Diaz, President; Ken Prat, Vice-President; Linda Schafer, Secretary-Treasurer; Don Vannucci, Yell Leader. During this year we held the Sophomore dance.

The officers who helped make our Junior year a success were: Marie Ramazzotti, President; Ruth Uboldi, Vice-President; Pam Young, Secretary-Treasurer; Cliff Wass, Yell Leader. The Gridiron Queen Contest started off a series of money-making projects for the Prom. For the first time at Healdsburg High, the Prom was held at the Villa and the theme was Arrivederci Roma.

Our Senior activities began this year with the Senior Dinner and Dance at the Villa, followed by Senior Dress-Up Day, Senior Sneak Day, the Senior Breakfast, Baccalaureate, and last, but not least, Graduation.

In the four years we've spent here at Healdsburg High, our class has seen many changes. Last year our school Alma Mater was written, the Smith Robinson Gym was completed and our school flag pole was erected. This year the new school library was dedicated and opened for use to the student body.

Our class of 1966 wishes to express our thanks to those teachers, parents, and friends who have helped to make the last four years inspiring years in which we came to better understand the world, our country, and ourselves.

"No man can ever rise above that at which he aims."

The Clock of Life

The Clock of Life is found but once
And no man has the power
To tell just when the hands will stop
At late or early hour.

Love, live, toil with a will,
Do not wait until tomorrow,
For the clock may then be still.
